3 Bedroom, 2 Bathroom Apartments

Large first and second floor apartments, each of 155m². Great size and just 100m from the bay of Mindelo with fantastic views across the bay towards Mindelo and across to the island of Santo Antao.

These properties come with fully fitted hand made kitchen with solid wooden doors. Oven, fridge-freezer and washing machine come as standard and all fixtures are of the highest quality.

With only top quality materials used in construction either of these properties make an excellent investment as price rises are imminent due to the new airport opening.
